J.T. is a patent attorney who primarily focuses on drafting and prosecuting patents.

He brings experience in performing intellectual property portfolio due diligence, forming freedom to operate opinions, business entity formation, and trademark preparation and prosecution.

J.T.'s experience has included supporting companies with sophisticated technologies in a variety of industries, including telecommunications, wireless technology, data storage, trusted computing, cryptography, distributed ledger technology, blockchain, internet and cloud technologies, artificial intelligence, materials, construction technology, and consumer products.

Prior to joining Holland & Hart, J.T. practiced as a patent attorney at another private practice firm in Denver.
