Justin assists clients with matters relating to real estate transactions, development projects, and real property issues.

His practice focuses on high-end residential, resort, and commercial real estate transactions, leasing, and development activities in Colorado.

Justin works with clients on condominium and common interest community projects, including the acquisition, formation, and management of high-end commercial, residential, and mixed-use communities.

Focused on mountain communities and Colorado's Western Slope, Justin has experience guiding high net worth clients through real property matters, including acquisition, sale, redevelopment, and privacy matters.

His land use and development practice helps clients move complex projects forward through application and approval processes.

Prior to joining Holland & Hart's Aspen office, Justin was an Associate with a large, regional law firm based in Denver. Before pursuing his legal career, he was a writer and editor for *Outside Magazine*.
