Eric facilitates real estate investment by viewing deals comprehensively with legal and financial considerations. He brings experience with commercial real estate acquisitions, capital raising, reviewing loan documents and contracts, drafting commercial leases, and drafting partnership agreements.

Prior to joining Holland & Hart as an associate, Eric participated in the firm's Summer Clerk program and served as a law clerk at several boutique law firms in Colorado with a focus on real estate transactions and private placements. Before law school, Eric worked on the acquisitions team for a publicly-listed self-storage REIT and as a portfolio analyst and fund asset manager for an affordable housing private equity firm.
