

Brandon Eldredge

Patent Agent

BCEldredge@hollandhart.com

Brandon helps manage patent portfolios and filing deadlines to ensure client's intellectual property rights are properly maintained throughout the application process.

Brandon provides engineering and technical support to the firm's patent practice for a broad range of complex subject matters, assisting our team with patent application preparation and prosecution for US and foreign patents. He also performs critical analysis for pending and issued standards-related patents that are critical to clients' patent portfolios.
